

MotherLode Music Festival

Dear Friend

Allow me introduce myself. My name is Paul Probyn and I am the Sponsorship Chairman for the MotherLode Music Festival. For those of you who are not familiar with the MotherLode Music Festival; this year will be the inaugural year of the festival.

The Festival will be on August 8th, 9th, and 10th at Idlewild Ridge Ranch between Florissant and Lake George. There will be great music, food and drink. Camping areas are provided in the ticket price on this beautiful 25 acre ranch that backs up to the BLM.

Corporate sponsorship provides a way to for our community businesses to support the members of our community in symbiotic way. Our sponsorship packages include prominent display on our T-shirts. We also run thank you ads in local papers and list our sponsors on all flyers, press releases and circulars.

Please take a few moments to look over the enclosed sponsorship materials. Thank you for your time and your thoughtful consideration.

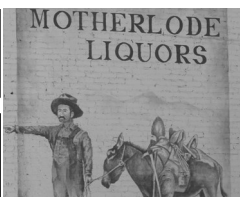

Yours in Music

Paul "ghostdog" Probyn
